BON SECOURS HOSPITAL
College Road, Cork

AN INVITATION TO THE

ANNUAL GENERAL PRACTITIONER STUDY DAY

MARYBOROUGH HOUSE HOTEL

Advanced Medicine Exceptional Care

Dear Colleague

As Chairman of Post Graduate Education in Bon Secours Hospital, Cork, I am delighted to invite you to the **2016 Annual GP Study Day**. The GP Study Day will be held on January 30th 2016 at the Maryborough House Hotel, Douglas, Cork.

This year we have put in place an interesting programme which aims to build on our past experience and your valuable input and suggestion of topics. You will notice that the format has changed this year. From the programme you can see that there are many opportunities available to you throughout the day as some sessions are repeated allowing you greater flexibility and choice. The presenters will move rather than the delegate.

We are asking you to select workshops you would like to attend both morning and / or afternoon.

I hope you will enjoy the day and find the sessions of value and interest.

To ensure you receive your choice of workshops, please return your completed form by 15th January 2016.

If you have any queries please contact **Gwen Levis**, Clinical Services Coordinator glevise@bonsecours.ie on 0214941990.

Sincerely

Dr Eoin O'Sullivan

Chairman of Post Graduate Education
Bon Secours Hospital, Cork.
